Re: Forward Progress/Your Letter of September 26, 2014

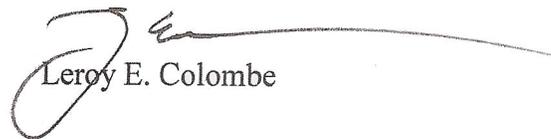

Dear Mr. Kam:

This responds to your letter of September 26, 2014, specifically as to the Complaint filed by Karen Chun against Forward Progress. It appears that the expenditures on the Schedule D attached to Ms. Chun's Complaint were in fact reported in the previous period, along with the designation of the candidate supported or opposed. The Schedule D attached to the Complaint was entered by Forward Progress to show the "zeroing out" of the balances for unpaid expenditures, and the Commission's computer program did not allow for again designating the candidates supported or opposed by these expenditures. If the Commission would like to see the reporting handled in a different fashion, please do not hesitate to contact me to discuss. However, based on the foregoing, it is our expectation that the Complaint will be dismissed without further investigation or action.

Thank you for your attention to the above.

Very truly yours,

Chun Kerr LLP  
a Limited Liability Law Partnership
